

Horatio Nelson Esq.

Rockville

Mass.

IT IS PROPOSED to publish a good LITHOGRAPH of the TOWN and HARBOR of CASTINE, as soon as copies enough shall be guaranteed to cover the expense. The Print will be 33 by 20 inches in size, after a fine sketch recently taken by LANE, from the nearest island in the Harbor. It will embrace as much of the Peninsula as can be included without diminishing the objects too minutely, or making the print too large and awkward for a parlor ornament. It is believed the absent Sons and Daughters of Castine will gladly avail themselves of this opportunity, which may not again occur, to secure a fit memorial of their native place.

Should you desire to aid this project, please make an early return to William Witherle, Esq., or Dr. Joseph L. Stevens.

Price, \$2.00 per copy.

Castine, October 5, 1855.
