CATALOGUE  
OF  
AN EXHIBITION OF  
PAINTINGS AND SCULPTURE  
BY  
SCANDINAVIAN AMERICAN ARTISTS

BROOKLYN MUSEUM  
JANUARY 29, TO MARCH 1, 1926

## FOREWORD

Feeling that artists having something in common might very reasonably, and with some degree of interest, exhibit their works together, the members of the Scandinavian American Artists, with a common ancestry, have organized themselves and brought together the present exhibition.

It is not to be assumed that this is an effort to produce an exhibition that would be national in character, for the society absolutely believes art to be international and common to all peoples.

But it is a sincere effort to show the works of those artists of Scandinavian birth or descent gathered from all quarters of these United States in the earnest hope that what has been brought together would prove of unusual interest. It is to this end that the present exhibition is dedicated.

MARTINUS ANDERSEN

PRESIDENT

*Scandinavian American Artists*

This is the first exhibition of the Scandinavian American Artists, and it is the purpose of the organization to hold an exhibition annually, and, later, to arrange for their display in other cities of the United States. Those desiring to lend their support by becoming patrons may do so by communicating with

HARRY CARLSON

CORRESPONDING SECRETARY
